**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save small competitors in the fiber space by allowing Sonic and others to utilize fiber that large monopolies have laid in our communities. In our rural farm town in Northern California, broadband access is critical for us to have high speed connectivity to run our small business. There is just one other provider and they have terrible customer service and a bad reputation.
